## Contribution Form

The Souhegan Valley Land Trust was founded in 1970 as a regional non-profit organization, working to identify, promote and actively seek protection of lands with natural, recreational, and historic significance. The land trust protected lands around the Purgatory Falls area in both Mont Vernon and Lyndeborough, and assisted in adding many acres to Tucker Brook Town Forest in Milford.

We have many potential land and stream protection projects that need your support. A contribution of any amount goes a long way in protecting the quality of life we have come to love in New Hampshire. Please consider supporting our efforts. To learn more about what we are doing and how you can help, please check our Web site.

Kindly fill out this form and mail it with your tax deductible contribution to:
